Terms & Conditions of Enrollment

- The author of all supplied course materials retains copyright of these materials, which may not be reproduced in any way without the written permission of the copyright holder.
- Students may complete their studies in their own time; however, their facilitator will expect coursework to be submitted on a regular basis.
- We use the A+/- system of grading, with C- being the lowest passing grade. Should a student fail to reach this level for any coursework module, their work will be returned unmarked with their facilitator's comments and a request for re-submission.
- We reserve the right to increase its fees from time to time, which will not affect the enrolled student unless they wish to transfer to another updated program.
- Students who have not finished their independent coursework for 9 months after the completion of their program without prior agreement, have to upgrade to the latest program and pay applicable program upgrade and administration fees if they choose to continue their studies.
- The student may cancel their enrollment up to 5 days after the registration date (home study) or 3 days for the in-class study to receive a full refund minus \$25.00 administration fee. No refunds will be given after the above stated period.
- Stone Waters Continuing Education will, under normal circumstances, return module test papers within 14 days of their receipt. We reserve the right to make any changes to course material.
